Commitment to Accessibility

In keeping with our values Participation House Brantford is committed to providing services in a manner consistent with the principles of independence, dignity, integration and equality of opportunity for all persons, including persons with disabilities. We are committed to meeting the needs of people with disabilities in a timely manner and will do so by preventing and removing barriers and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act.

Scope

This policy applies to:

- Board members, employees, volunteers, and contractors who deal with the public on behalf of Participation House Brantford.
- The provision of goods and services at premises owned/operated by Participation House Brantford as well as any interactions between our employees and people served in the community, over the phone, via email or by mail.

Assistive Devices

Participation House Brantford recognizes that some people with disabilities may use their personal assistive devices when accessing our services. In cases where the assistive device presents a significant and unavoidable health or safety concern, or may not be permitted for other reasons, we will take other reasonable measures to ensure that the person with a disability can access our services.

Participation House Brantford will ensure that our staff are trained and familiar with various assistive devices (e.g. mobility devices, hearing aids, magnifiers, etc.) which may be used by customers with disabilities while accessing our services.

Communication

We will communicate with people with disabilities in ways that takes into account their disability.

Service Animals

Participation House Brantford welcomes people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public. When we cannot easily identify that the animal is a service animal, our staff may ask a person to provide documentation from a regulated health professional (e.g. physician, nurse, optometrist, audiologist, etc.) that confirms that the person requires the service animal for reasons related to their disability.

When visiting Participation House Brantford, it is the responsibility of the person with the service animal to care for and control the animal at all times. In the event that a Participation House Brantford staff member or person served is allergic to the service animal, alternative arrangements will be made.

Support Persons

Persons with a disability who are accompanied by a support person are welcome on our premises and may have access to that support person at all times.

When necessary to protect the health or safety of the person with a disability or others, Participation House Brantford may require a person with a disability to be accompanied by a support person while on our premises.

Participation House Brantford requires prior consent from the person with a disability before communicating confidential information about that person in the presence of their support person.

Notice of Temporary Disruption

Participation House Brantford will make a reasonable effort to notify clients with disabilities about any planned or unforeseen disruptions to our services or facilities. This notice will include information about the reason for the disruption, its anticipated duration and a description of alternative facilities or services, if available.
