Re: Provincial Lockdown

---

As you have likely heard, the Premier announced more restrictions in the province to try to limit the spread of COVID-19, including the variants.

I will reinforce that this does mean that **no indoor or outdoor visits** will be allowed at Bell Lane and Stedman and only essential outings for the people we support will be permitted.

Please **DO NOT** ask staff to bend the rules for you. Visits are allowed via windows – but open doors and open screens/windows are **NOT ALLOWED**.

The tenants at Colborne Street will be supported to limit activities and visitors to the building.

Although our staff and residents have had their first vaccination – the second vaccinations are still over a month away. NO new directives have been provided from the Ministry to indicate that residents are safe enough to have restrictions removed.

We are all exhausted with this situation and I ask that you continue to respect the hard work and dedication our front-line staff have shown over the past year!

As always, please feel free to email me directly at [skerr@pssbrantford.org](mailto:skerr@pssbrantford.org) with any questions or concerns.

With Regards,

Sherry R. Kerr, Executive Director
